

Call Script – Procurement // Alstom

START HERE.

Hi, am I through to Cédric?

Hi Cédric,

it's Jake calling from PERSUIT.

I was just calling regarding the invitation we sent you last week for the **outside counsel executive briefing**, - did you get a chance to look over that?

No worries at all,, we're currently offering outside counsel executive briefings to **Procurements in Industrial Equipment Manufacturing**. -

It covers about **\$45 billion of legal benchmarking data** accrued by PERSUIT over the last 3 years.

the briefing would purely be a session to share the data.. **So there is no sales content**

If you have 20 mins over the next few weeks, Cédric, it would be great to share this data with you

Objections:

I'm sorry, calling from where? / OR / What benchmarking data?

That's a great question, Cédric

So are you familiar with the PERSUIT platform?

So PERSUIT is an outside counsel spend management platform. As mentioned, we had over \$45bn worth of outside counsel MATTERS put through the platform over the last 3 years with a big part of this industrial equipment manufacturing data.

Because of the fact that We work with all of the **Global 200 law firms like** Freshfields, Linklaters, Skadden, and Clifford Chance, as well as a number of your peers, such as Rolls-Royce and Siemens,

we can provide some of these benchmarks to you, as well as some strategies your peers are using to manage their own outside counsel spend.

As i mentioned, it's a data session, no sales content,

If you have 20 mins over the next few weeks it would be great to share the data with you.

YES BUT WHAT BENCHMARKS IN PARTICULAR

Rates, competitive sourcing, alternative fee arrangements, benefits of budgets and AI pricing. We can also tailor the briefing to the challenges that your team may be facing.

So yeah, as i mentioned, the session is purely to share this data with you...

How did you get my number?

I was actually passed the number by a colleague, we work with a number of peers similar to yourself, hence for the call today we thought it might be relevant to you.

Send me an email?

I can certainly send those details through to you, just so it's worth your time, is the outside counsel briefing something you'd be interested in? Perfect will send you the email now.
